Friday 15th January 2021

Dear Parent/Carer,

I hope I find you safe and well. As we reach, the end of the second week of lock down, I would again like to take the opportunity to thank you for all the support you have offered the Academy in providing for your children, our pupils this week. We are continuing to work hard to develop our offer of remote learning while balancing this with the challenges of maintaining an excellent educational provision in school and preparing our lateral flow testing capability.

I would publicly like to thank all the staff for their determination to this cause and their enthusiasm to support the pupils however is required.

Here are todays updates:

Important: Lateral Flow Test Consent Forms:

If you child is attending the Academy in person at the current time please can you ensure you have completed this form by 4 pm on Saturday 16th September. We require a full list of all those pupils who have consent so that we can begin testing and processing results as soon as possible once our testing centre is set up.

[Lateral Flow Consent Form for Year 7 and 8 Pupils](#)

St Edward's Academy Facebook:

If you haven't already signed up for the Academy Facebook then please do. If you have, you will have seen all the wonderful things that the Academy pupils are doing inside and outside of school.

If your child/children are completing activities or have something they have done that they are proud of and demonstrates them being 10:10 people please send some images and a brief outline of what they have been doing to:

information@st-edwards.staffs.sch.uk

Free School Meal Food Hampers:

The Free School Meal debate has made headline news in recent days and looks set to continue into the future. With very limited notice we provided a hamper last week and this week have worked with our local Morrison's and our in school caterers Aspens to provide hampers for all those Free School Meal pupils who requested one. All Free School Meal pupils will receive their allocation in voucher form from now on and further details on this will be sent to those families involved directly.

We are very grateful for the support of our local Morrison's who demonstrated that our local community is full of 10:10 people willing to go the extra mile to support those who need additional support in our community. Thank you!

Teams:

Again thank you for your patience as we work through the teething problems that have arisen regarding home learning. One of your emails described it as akin to building a plane whilst flying it. I appreciate and agree with the sentiment. We are dealing with any concerns and queries as quickly as possible and we will continue to do this until all pupils are accessing the very best education and support that we can provide.

Regarding elements on Teams such as Assignments and the addition of APPs etc. we are working to bring a consistent pattern for all pupils as quickly as possible now that we are up and running. I will keep you updated on this but once again thank you for your understanding.

Could you please remind your child that whilst on teams they should not be setting up their own groups or starting their own meetings on Microsoft Teams; only the groups and meetings set up by Academy staff should be used. If your child is unable to access the relevant groups or meetings for their schoolwork, please use the contact form on the Academy website to request assistance.

Teams Guidance Notes:

Register your Place for September 2021:

I know this may seem a long way off however, the deadline to register your place at St Edward's for Year 5 or Year 7 new starters is the 15th January 2021.

Please complete this form on the Staffordshire County Council website:

[Admission to primary and middle schools September 2021 entry - Staffordshire County Council](#)

Critical Worker and Vulnerable Group Places:

We were awaiting further guidance from the Government regarding the expectations around pupils and who can be in school. We have now received this information and it informs us that we are to accept Critical Worker and Vulnerable pupils where they require a place.

If you require a place and fall within the criteria that can be found in the link below and currently do not have one please complete the form that can be found here:

[Critical Worker and Vulnerable Group Request Form](#)

I would urge all parents/carers to **consider** wherever possible to keep their children at home. We are doing everything we can to control and mitigate the transmission of the virus but I am sure you are aware that the

current national situation is alarming and the 'Stay at Home' message is one for us all to heed where ever possible.

[Here is the Government Guidance from 7th January.](#)

Frequently Asked Questions:

If you have a question you would like answering regarding the Academy, please click on the link below:

[Frequently Asked Question Form](#)

Half Term Challenges:

St Edward's Church of England Academy's Arts and Sports Faculty will be setting pupils a number of extracurricular challenges this half term! These challenges are optional and all pupils are welcome to complete the challenges whether they are currently home learning or whether they are in school during the day then taking part in the challenges after school.

Each week, pupils will be set a new challenge. Pupils can choose to complete all, some or none of the challenges - they are designed to be fun!

WB 11/1 – Three Peaks Challenge (walk/run/swim/ride the equivalent of the 26 miles of the Three Peaks)
WB 18/1 – St Edward's Bake Off (create a 'Show Stopper' of your own choosing)
WB 25/1 – St Edward's Got Talent (create a video or sound bite of your musical ability; it could be a show tune, a piece recorded on an instrument or a song you have created)
WB 1/2 – Photography competition (information to follow on Microsoft Teams)
WB 8/2 – Jewellery design competition and winners of the Three Peaks Challenge celebrated

In addition to the above, we will also be posting on Microsoft Teams two fitness classes a week that have kindly been recorded by the staff at Fit Bodies Gym in Leek (these fitness classes will be suitable for pupils in all year groups).

Pupils can find more information about each challenge, watch the fitness classes and return photographs etc. of their completed challenges on Microsoft Teams by going to the folder labelled with their year group then 'Arts and Sports Extracurricular Challenges'.

Contacting the Academy:

To assist you in contacting the correct person at the Academy when you have a query, please continue to utilise the CONTACT link on the Academy website for all general and office focused enquiries. Please avoid sending texts and wherever possible calling the Academy as you may not always get a response via these lines of communication at the current time. Whereas with the Contact Form to you will as soon as possible. For any subject specific questions, please utilise the following addresses to access key subject specialists:

- For Maths maths@st-edwards.staffs.sch.uk
- For English englishst@st-edwards.staffs.sch.uk
- For Science and Computing scienceandcomputing@st-edwards.staffs.sch.uk
- For Geography, History and MFL humanandlang@st-edwards.staffs.sch.uk
- For RE re-sted@st-edwards.staffs.sch.uk
- For Creative Studies creativestudies@st-edwards.staffs.sch.uk

Safeguarding:

Keeping our pupils and their families safe is our most important job.

If you have any concerns, please call First Response on 0800 131 3126 or the NSPCC on 0808 800 5000 or Childline on 0800 1111. If you need to contact us, please do so via the Contacts link on the Academy website.

There is a lot of support available to help keep your child safe online. Below are some useful links to help parents and carers:

- Think You Know:<https://www.thinkuknow.co.uk/> (advice from the National Crime Agency to stay safe online)
- Internet Matters:<https://www.internetmatters.org/> (support for parents and carers to keep their children safe online)
- Parent Info:<https://parentinfo.org/> (support for parents and carers to keep their children safe online)
- LGfL:<https://www.lgfl.net/online-safety/> (support for parents and carers to keep their children safe online)
- Net Aware:<https://www.net-aware.org.uk/> (support for parents and carers from the NSPCC)

Staying Safe Online: CEOP

As we are all needing to use the internet more and more to access communication, information and resources for every part of our lives at the moment, it is even more important that we are all aware of the dangers that being online and working online can pose. This is particularly important for your children and our pupils who are utilising the World Wide Web. CEOP and the Thinkuknow education programme are generating worksheets and guidance each week on a Tuesday to support everyone to stay safe online. Please use the link below or visit the 'School Information Updates' section on the Academy website:

Responses to FAQs:

Question:

Can you confirm that parents evening is going ahead for Year 6?

Answer:

Yes this will take place in line with the bookings that you made. We want to give parents and carers the opportunity to meet with teachers and discuss the first terms progress. We look forward to meeting with you.

Question:

Are staff wearing masks in classrooms and if not why not?

Answer:

At the current time neither members of staff or pupils are required to wear masks in class. This is in line with Government and Public Health England Guidance. All pupils and staff wear masks when moving around the school and social distance in the corridors.

Staff where ever possible maintain 2 meter distance from pupils and all classrooms are set up to allow this to occur. Where staff are required to come into prolonged close proximity with pupils they don the necessary PPE to maintain safety.

Should guidance change we will update our practices immediately and update our risk assessment also.

Question:

Why except for Maths and English live lessons are for the whole year group which consist of over 100 students? Why isn't a normal school timetable being followed?

Answer:

The timetable has been amended as we have pupils learning in school and at home. Both core subjects have larger number of specialist teachers due to the frequency with which they are taught per week. However foundation subjects have fewer specialist teachers and are taught on a different timetable and therefore allocated few periods per week. Therefore there are not enough specialist staff to facilitate teaching groups in English and Maths and offer the subject specialist content that the Academy prides itself on providing.
