Hockey Practice at Westwood College

Dear Parent(s) or Guardian(s),

This year all school hockey practices will once again take place at Westwood College on Thursdays after school. This will enable us to practise on an astro-turf pitch that can be flood lit in the winter months. Everyone in school, boys and girls of all age groups, are welcome to attend and if any parents or older brothers or sisters would like to help, they are also very welcome. If, as in previous years, the numbers are very high, we may have to alternate the weekly practices for boys and girls.

If needed, sticks and balls will be provided by school and the children need to be dressed appropriately for the weather and they **must** have shin pads and gum shields. They should also take a drink.

The children will make **their own way** to Westwood College after school. I will take a register before they leave St. Edward's and ask them to arrange to walk up the road with at least one other friend. The older pupils will walk with the younger pupils to Westwood. If you are happy for your child to attend, would you please sign the permission slip below and return it to school before your child attends any practices.

A text will be sent home during the school day if the weather is too bad for the practice to take place. If the weather changes during the practice, please come early to collect your child as we have nowhere to shelter at Westwood. It is not possible to send a text home during the practice as the school office closes at 4:30pm. Your child will be able to contact you if they have their own phone.

The details are as follows:-

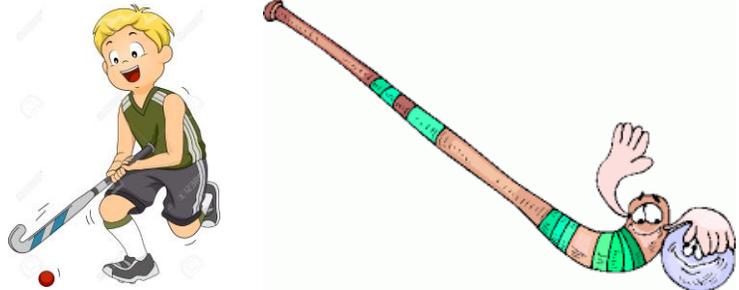

Day: Thursdays

Time: 4:00pm – 5:15pm

Venue: Westwood College

Transport: Children will walk to Westwood.

Collection: **Pick up at 5:15pm from Westwood College at the astro pitch. As part of the booking conditions, Westwood College politely ask that parents park on the bus park on Westwood Park Drive and walk through the school to the astro to collect their child. Your child may walk home with your permission.**
