Dear Parent/Carer,

I am writing to inform you of sports clubs at lunchtimes and the implications this may have on pupils who wish to take part in these clubs and the time left to eat their dinner.

Our Pupil Voice has informed us that that they wish to have longer coaching/practice sessions at lunchtime but are aware that this reduces the time left to eat their lunch.

The agreed system is that pupils are able to eat their lunch at break time - if they wish. If pupils have a school meal on those days, a packed lunch will be provided from the canteen and this will be coordinated in school.

Pupils who wish to take advantage of this will change into their PE kit at break and eat the "majority" of their lunch before the beginning of lesson 3 at 10:55am.

This allows the pupils more time at the sports club so that they are under less pressure to get changed and have their whole lunch at the end of lunchtime.

Pupils will be allowed to go to lessons 3 and 4 wearing their PE kit which will hopefully result in a prompt start to the lunchtime practice.

They will be expected to get changed back into their school uniform for lessons 5 and 6 and finish the remainder of their lunch during this time.

If you have any questions, please email the school office.
