Dear Parent/Carer,

I would like to draw your attention to a current online issue. The game entitled 'Momo' is aimed at young people and uses manipulative techniques to encourage them to carry out harmful acts.

Within the Academy, pupils are protected against such online advances and educated about staying safe online.

Can I take this opportunity to encourage you to be aware of this unsafe application by monitoring your child's online activity. I am sure this is something you already do; however, I felt compelled to bring this to your attention.

Yours sincerely,

Mr T Hutchinson
Principal
