Dear Parents/Guardian

Do you have an old recorder that you don't want lying around in a drawer? If so, could you donate it?

As you are probably aware the Year 5 Music curriculum revolves around the recorder. In order to reduce the environmental impact of asking parents to purchase new recorders (made of plastic) we would like to reuse unwanted instruments from previous year groups. All instruments donated will be sterilised and allocated to one of next years' pupils.

If you have an instrument that you would like to be rid of, please send it into school with your child and hand it to Mrs Ibbotson or the school office.

Many thanks

Mrs Ibbotson
Music teacher
