11th September 2019

Dear Parent/Carer,

I hope that you had a good summer and were able to spend some time together with family and friends and that the children have been able to recharge their batteries.

We have had an extremely positive start to the year and I would like to thank you for your support in ensuring our pupils look smart and are in correct uniform and prepared for the exciting year ahead.

Currently, we are in the process of putting together our list of clubs and activities. These are not only run by staff, but also external providers and volunteers. This list should be available to parents by Friday 13th September and when ready it will be placed on our website and we will, of course, inform you when we have done this.

Our new year 5 pupils have yet to experience the vast range of clubs and activities that are on offer so to help them find out more we will be holding a year 5 Freshers' Fayre next Friday afternoon (13th September) where they will get the opportunity to talk to year 8 pupils about the clubs that they may be interested in.

If you are a parent or carer of a year 5 pupil, I hope that you will take the time to discuss with them which clubs or activities they might be interested in.

If you have any queries regarding clubs and activities, then please do not hesitate to contact the Academy.

Yours sincerely,

Mr J Parrish
Vice Principal
