September 2019

Dear Parent/Carer,

From the week commencing Monday 16th September onwards, year 5 pupils will be using recorders in their music lessons.

If you would like to purchase a recorder for your child via school, please make the £3.95 recorder payment on your ParentPay account then ask your child to collect their recorder from the finance office at morning break the following day. Alternatively, you may wish to purchase a recorder from elsewhere or your child may already have a recorder at home they can use.

Thanks to the kindness and generosity of past year 5 pupils and their parents, we have a limited number of recorders available in school for pupils to borrow. These recorders have been cleaned using a sterilising fluid for the comfort and safety of all pupils. If you would like your child to borrow a recorder, please write a note in their planner to be shown to their music teacher.

In order to help pupils to avoid forgetting their recorder on days when they have music lessons and so that pupils have one less item to carry, recorders will be labelled with your child's name and kept at school before being returned at the end of year 5 when recorders are no longer being used in music lessons.

If you have any queries regarding the purchase of recorders for music lessons, then please do not hesitate to contact the Academy.

Yours sincerely,

Mrs J Ibbotson
Music Teacher
