October 2019

Dear Parent/Carer,

As part of our Personal, Social, Health and Emotional (PSHE) and science curriculum in Year 6 and Year 7, we address the topic of puberty. To support us in delivering information about this important topic we have been provided with resources and products from the school team at Always, the sanitary product manufacturer.

We will be delivering sessions addressing the topic of puberty to the girls in Year 6 and Year 7 during the next half term. The sessions will take place in small groups, will be delivered by the House Leaders and Mrs Rose, and will last for approximately 20 minutes. Pupils will have the opportunity to ask questions either as part of a group or privately.

Further information about the resources we will be using can be found on the Always website: www.always.co.uk.

If you would like any further information regarding the sessions, please do not hesitate to contact us via the school office.

Yours sincerely,

Mr T Hutchinson
Principal
