10th May 2020

Dear Parents/Carers,

Despite the difficult circumstances, I hope that you and your loved ones are safe and well.

Further to the Government announcement made by the Prime Minister this evening, I am writing to inform you all that the status quo position of the Academy being closed remains in place.

When further guidance is published by the Government regarding the expectations for us all over the coming days, I will then update you on the Academy's position and what this means for our school community.

Please be assured that the safeguarding and well-being of our pupils, their families and our staff remains of paramount importance and it continues to be the foundation on which our decisions at St Edward's are made.

Should you need to contact the Academy, please ensure that all communication is via the 'Contacts' section on the Academy website as this continues to be the only point of communication that is responded to and monitored.

With continued thoughts, prayers and best regards,

Mr T Hutchinson
Principal
