14<sup>th</sup> October 2021

Dear Parent/Carer,

The number of positive Covid-19 cases within the Academy are continuing to rise and this is leading to pupils having to isolate at home, being poorly and exposing family members to the virus.

To control the spread of the virus and limit infections please can I request that all pupils wear masks from now on when in communal areas and moving around the building. They can also wear them in class if they wish.

Everyone at the Academy wants to stay Covid-19 free and avoid anyone having to isolate and especially over the coming half term when so much hard work has taken place so far this year.

Can I also request that if your child or someone in your family is displaying symptoms or feeling unwell that you arrange a precautionary PCR test to ensure that we all work to limit the spread.

We are awaiting a date from the local NHS vaccination team who will be using the Academy building to offer the vaccination once parents/carers have provided consent. **(no child will be vaccination unless we have parental consent)** As soon as we have a confirmed date and further information we will let you know.

Yours sincerely,

Mr Hutchinson  
Principal
