Dear Parent/Carer,

Can you please ensure that your child/children have a mask to wear in school when moving between lessons or when they are in communal areas unless they are exempt from wearing one.

We are working hard within the Academy to avoid anyone contracting or spreading the Covid-19 virus. This measure will reduce the possibility of further year group closures and the need for pupils to stay at home. It will also protect all members of our community including you and your family.

I thank you for your support in this matter.

Many thanks

Mr Tom Hutchinson
Principal
