January 2022

Dear parents/carers,

On Friday 4th February it is national Number Day which is supported by 'Every Child Counts' and in aid of the NSPCC.

To celebrate on the day, we will be doing Number Day challenges in maths lessons, a whole school number hunt and, for a minimum £1 donation, pupils can come to school in numbered clothing along with the rest of their normal uniform. It is NOT a full non-school uniform day. Pupils can wear numbered clothing such as t-shirts, hoodies, football/sports shirts etc - this should be worn with normal school trousers/skirt and blazer but can replace the shirt and tie. If your child does not own any numbered clothing, they can still join in by wearing a number badge - such as a birthday badge (it does not matter if it is not correct age as the focus of the day is on all numbers).

Money raised will be split between the NSPCC fund raising campaign and the school in order to fund numeracy-based playground activities.

Thank you for your consistent support of the Academy and helping to promote what will be an exciting and rewarding day for all involved.

Yours sincerely,

Mr Tunstall & Mrs Aggett
