10th March 2022

Dear Parent/Carers,

As we strive to be 10:10 in all things at the Academy, we have secured funding to have our suite of laboratories modernised. This work will begin next week and will mean that we have work taking place during the school day for a short period of time.

We are working with the companies who are completing this work to ensure that disruption is kept to a minimum but, this will mean that there will be some noise and changes to classrooms for pupils. Our timeline for this project is to have all major works completed and back in operation after the Easter holidays.

Many thanks

Mr. Hutchinson
Principal
